

MAJOR REFERENCE LIST

YEAR	OWNER/CLIENT	PROJECT NAME	DESCRIPTION
2008	Transocean/ Daewoo Shipbuilding	Transocean Discoverer (5 th Drilling Ship)	Design, fabrication and commissioning of Cooling Water Skid (10 packages)
2008	Transocean/ Daewoo Shipbuilding	Transocean Luanda (4 th Drilling Ship)	Design, fabrication and commissioning of Cooling Water Skid (10 packages)
2008	Korea Ocean R&D/ DM ENG	Cavitation Tunnel for Ship Test facilities(2300m3)	Design, fabrication and commissioning of complete Vacuum Degasifier package including tower (750m3/hr)
2008	Hoegh/Samsung Heavy Industries / YZ	LNG Carrier	Two(2) sets of Odorant Injection Package
2008	Hyundai E&C	Ammonia Removal Plant for Wastewater	Design, fabrication, Site installation, and commissioning of complete Ammonia Stripping & Scrubber towers including Chemical Dosing System.
2008	KOGAS/ WISE	Inchoen LNG Terminal	Design, fabrication of Odorant Storage System
2008	Samsung Heavy/ WSIC	NEXUS FPSO Project	Engineering of Glycol Dehydration Package
2008	MISTUBISH/ Hyundai Engineering	DEB Add on Power Plant	Design, fabrication and commissioning of Chemical Injection Packages (3 packages)
2009	Hyundai Engineering & Construction	Biogas Upgrading System	Design, fabrication and commissioning of Biogas Purification System
2009	Transocean/ DSME (Daewoo Ship)	Transocean Leader (1 st Drilling Ship)	Design, fabrication and commissioning of Chemical Dosing Unit (3 packages)
2009	Transocean/ DSME (Daewoo Ship)	Transocean Americas (2 nd Drilling Ship)	Design, fabrication and commissioning of Chemical Dosing Unit (3 packages).
2009	Transocean/ DSME (Daewoo Ship)	Transocean Inspiration (3 rd Drilling Ship)	Design, fabrication and commissioning of Chemical Dosing Unit (3 packages).

YEAR	OWNER/CLIENT	PROJECT NAME	DESCRIPTION
2009	Transocean/ DSME (Daewoo Ship)	Transocean Luanda (4 th Drilling Ship)	Design, fabrication and commissioning of Chemical Dosing Unit (3 packages).
2009	Transocean/ DSME (Daewoo Ship)	Transocean India (5 th Drilling Ship)	Design, fabrication and commissioning of Chemical Dosing Unit (3 packages)
2009	Doosan Heavy Industry	GHECO Power Plant	Design, fabrication and commissioning of Chemical Dosing Unit (2 units)
2009	PTT Chemical (Thailand)/Hyundai Engineering	PTT Chem Power Plant	Design, fabrication and commissioning of SCR Ammonia Injection System for 3 HRSGs
2009	Doosan Heavy Industry	Sea SWRO Project	Design, Supply of Chemical Storage Unit for Desalination Plant
2009	Hyundai E&C	Cheng-ra Waste water treatment Plant	Design, Fabrication, Commissioning of Biogas Purification & Upgrading System
2009	Korea Hydro- Nuclear Power/ Hyundai Engineering/ SH IND	Improvement of operating Uljin Nuclear Power Plant	Engineering for performance improvement of existing Water Treatment System.
2010	Hyundai E&C	Cheng-ra Waste water treatment Plant	Design, Fabrication, Commissioning of Ammonia Stripping & Scrubbing System (5m3/day)
2010	Hyundai E&C, National Environmental Org.	Sludge Treatment by Hydrolysis	Design, fabrication, Site installation, and commissioning of complete Ammonia Stripping & Scrubber towers including Chemical Dosing System.
2011	National Industrial Park Dev.org / Hanyang University	Jinro Waste water treatment - Fertiliser production system	Design, fabrication, Site installation, and commissioning of complete Ammonia Stripping & Scrubber towers including Chemical Dosing System.
2011	Hanyang University	Ammonia Removal Plant for Wastewater	Design, fabrication, Site installation, and commissioning of complete Ammonia Stripping & Scrubber towers including Chemical Dosing System.

YEAR	OWNER/CLIENT	PROJECT NAME	DESCRIPTION
2011	Daewoo E&C/Korea Nuclear Power Research	Reactor Coolant Pump Test Facility	Design, Fabrication, Commissioning of Membrane Degasifier Package
2011	Daewoo E&C/TAKREER-UAE	IRP-II Project	Design, Fabrication, Commissioning of Chemical Injection Package
2011	KOGAS / Hyundai E&C	Biogas Plant - Purification	Design, Fabrication, Commissioning of Biogas Purification Plant-full scale (250 Nm ³ /hr)
2011	Abudabi Water & Electricity / UAE / Daewoo E&C	ADEWA SHUWEIHAT S3 IPP	Two sets of completed Chemical Dosing Skids for HRSG Design, Fabrication, Commissioning
2011	Electrocity Generation Company of Bangladesh Ltd. / Hyundai E&C/(Bangladesh)	New Haripur Power Plant	Two sets of completed Chemical Dosing Skids for HRSG & Cooling water System Design, Fabrication, Commissioning
2011	GMR Chhattisgarh Energy Ltd. / Doosan Heavy Industries (India)	Raipur Power Plant	Two sets of completed Chemical Dosing Skids for HRSG Design, Fabrication, Commissioning
2011	JTC Corporation / Hyundai E&C (Singapore)	Jurong Rock Cavern Phase-1	Design, Fabrication, Commissioning of Chemical Injection Package
2012	KOMIPO / Doosan Heavy Industries (Korea)	Sejong Power Plant	One set of completed Chemical Dosing Package for HRSG & Cooling Tower System Design, Fabrication, Commissioning
2012	BDH / Doosan Heavy Industries (Vietnam)	Mong Duong II ASH HANDLING	One set of completed Ash handling system for Design, Fabrication, Commissioning

YEAR	OWNER/CLIENT	PROJECT NAME	DESCRIPTION
2012	Vietnam Electricity / Hyundai E&C (Vietnam)	Mong Duong I Thermal Power Plant	Two sets of completed Chemical Dosing Package for HRSG & Bulk Storage System Design, Fabrication, Commissioning
2012	EMAL / Samsung C&T (UAE)	EMAL Phase II CCPP	One set of completed Chemical Dosing Package for HRSG, CCW & Cooling Tower System Design, Fabrication, Commissioning
2012	Korea Western Power Co., Ltd. / Doosan Heavy Industries (Korea)	Taeon IGCC Power Plant (Gasification, 300MW x 1)	Completed Chemical Dosing Package (Phosphate) & Anti-foam Dosing Package Design, Fabrication, Commissioning
2013	Korea Gas Corporation / Doosan Heavy Industries (Korea)	Samcheok LNG Terminal Project	One set of Odorant Package and Deodorant Package Design, Fabrication, Commissioning
